PRELUDE

CALL TO WORSHIP

L: We “Extol the Lord our God, and worship at his holy mountain; for the Lord our God is holy.” - *Psalm 99:9*

P: Praise be to God whose glory is high above the heavens, whose glory shines o’er all the earth!

L: Great and awesome is the name of the Lord, and worthy of all praise. Let voices lift in adoration. Let hearts bow before the holiness of God.

*OPENING HYMN..... “*JESUS ON THE MOUNTAIN PEAK*” #74

PRAYER OF CONFESSION

L: Now, before the holiness of God, let us focus on and consider our fractured relations with our Father in heaven.

P: Enduring God, we confess that as Jesus’ disciples, we do not listen to you as you command. We look for a way through our days other than that of the cross of suffering, a way other than that of the setting aside our self-will in obedience to your will and purpose. When suffering, fear, loss, and sorrow come to us, we fail to remember how Jesus came down from the mountain to move toward Jerusalem and toward what lay ahead of him, that he might walk with us through our darkness, toward resurrection and new life. Forgive us, we pray, for keeping ourselves so occupied in stress and fears and doubts that we neglect waiting upon you, of communing with you. Times in which you long to revive our dimmed spirits, strengthen our hearts, bring peace to our minds, and inspire our service. Forgive us and transform us by your grace. AMEN.

SILENT CONFESSION & ASSURANCE OF PARDON

L: God loves us, not because of what we have done or not done, but because we are God’s beloved children.

P: The cross and resurrection of Jesus Christ assures us that neither sin nor death can separate us from God’s love.

L: Praise be to God for the transformation that brings us eternal life.

*GLORIA PATRI

*AFFIRMATION OF FAITH – “THE APOSTLE’S CREED”

PRAYER FOR ILLUMINATION

L: Revealing God, your Word is a light to our path and a testimony to your presence. Give us eyes to see and ears to hear that we may recognize your holy presence and receive your Word for our lives. AMEN.
